

VISIBLE DETERRENCE. DEFENSIBLE EVIDENCE.

MATRIX 2 PLUS
BODY-WORN CAMERA

m-View
A Tait Company ••

m-View is a secure, open, and affordable body-worn video and evidence management solution. It helps frontline teams feel safer and operations more accountable by combining rugged cameras, real-time streaming, and flexible evidence management, all designed to integrate seamlessly with customer systems and scale across industries.

SAFETY FIRST, ALWAYS

At the heart of m-View is a commitment to safer communities. We believe that everyone deserves to feel protected; from the frontline field to the families and citizens they look out for. Those who protect others don't always get second chances. That's why our solutions are built to perform in high-stress environments. Reliability isn't just a feature; it's a promise we make to those who depend on us.

PROTECTION THROUGH TRUST

We stand with those who serve on the frontlines. By giving them the tools to capture truth and evidence with confidence, we ensure they are never left without support in moments that matter most.

Altitude

DIGITAL EVIDENCE MANAGEMENT SYSTEM

Altitude DEMS is more than just storage, it's a scalable complete digital evidence ecosystem built for those who serve and protect. From real-time streaming and live situational awareness to tamper-proof security and AI-powered privacy tools, Altitude ensures every moment is captured, secured, and accessible when it matters most.

FEATURES

- › Flexible storage options
- › Full audit logs
- › Easy metadata and tagging
- › Location Tracking and duress alerts
- › Livestreaming
- › AI redaction
- › Mobile app (Beta access on request)
- › Open API and integrations
- › Data hosting options
- › Simple SSO (Single Sign On)
- › Role-based access controls
- › Strict compliance and security certifications

MATRIX 2 PLUS

TRUTH YOU CAN TRUST

Experience visual documentation like never before with the Matrix 2 Plus. Designed for those who protect and serve, the Matrix 2 Plus captures and securely stores clear footage. Lightweight, rugged, and built for real-world conditions, it's ready when you are.

INTELLIGENT EVIDENCE

With a full-shift battery, instant-start recording and secure evidence handling, Matrix 2 Plus is the dependable companion for every mission. The built-in GPS logs exact time, speed and location data with watermarks recording user ID, date/time and coordinates. From daylight to darkness, in the rain or in the heat, it delivers consistent performance.

COMFORT YOU CAN COUNT ON

The Matrix 2 Plus stays comfortable through the longest shifts as it is compact, lightweight and ergonomically balanced. Multiple mounting options ensure a secure fit on any uniform, while glove-friendly buttons and intuitive controls mean less fumbling and more focus.

LIVE SITUATIONAL AWARENESS

Stream securely from multiple cameras simultaneously via Wi-Fi, track locations, and give supervisors the visibility they need to act with clarity and confidence.

FEATURE HIGHLIGHTS	MATRIX 2 PLUS
140° wide-angle lens	●

Drop-tested to 6.6ft (2m)	●
Pre-record functionality	●
Post-record functionality	●
Live-streaming over Wi-Fi	●
Dual IR illuminators	●
Automatic low-light performance	●
Stealth Mode	●
Full shift battery life	●
AES-256 encryption	●
100-hour standby	●
One-touch operation	●
Bluetooth®	●
Built-in GPS	●

Matrix 2 Plus

Confidence on every shift. Your actions protected, your professionalism proven.

When every second counts, Matrix 2 Plus is there to protect you and the people you serve.

Simple to use, impossible to doubt. Reliable protection that works as hard as you do.

MATRIX 2 PLUS

TECHNICAL SPECIFICATIONS

GENERAL INFORMATION

Dimensions (DxWxH) 0.9 x 2.2 x 3.1 in
(24 x 57 x 79 mm)

Weight 5.6 oz (158 g)

PERFORMANCE

Video Resolution 2560 × 1440 @ 30 fps, 1920 × 1080 @ 30/60 fps,
1280 × 720 @ 30/60 fps, 848 × 480 @ 30/60 fps

Photo Resolution Up to 40 megapixel JPEG image,
Burst Mode (3 or 5 images per press)

Media Format H.264/H.265 video codec, AAC audio codec, .MP4 file

Pre-Recording Configurable up to 120 seconds

Post-Recording Configurable up to 60 seconds

Snapshot Capture Take still photos while recording video at same resolution

Lens Angle Wide 140° field of view for maximum scene coverage

Night Vision Infra-Red Mode 2 x IR LED illuminators, auto switching with configurable threshold

Motion Detection Configurable motion-based recording trigger

CONNECTIVITY

Wi-Fi Wi-Fi 802. 1a, b, n, AC dual band 2.4/5GHz

Bluetooth® Bluetooth 5.0, BLE SDK for mobile app integration (coming soon), BLE Tait radio trigger (coming soon)

GPS On-board GNSS for location and speed metadata

Dock Upload Rapid data offload via secure Drop-In Dock to Altitude DEMS

Live Streaming Up to 720p HD over Wi-Fi

SECURITY

Encryption AES-256 encryption of media and logs at rest, TLS 1.2 in transit

Data Integrity Hash verification to prevent evidence corruption and tampering

Compliance ISO 27001 aligned data handling through Altitude DEMS

Watermark User ID, Device ID, date, time, GPS lat/long/speed, custom field

USABILITY

Controls Simple three-button layout (Power, Record, Photo) with haptic and audio feedback

Notifications Visual (LED), Audible (Chime), Haptic (Vibration)

Stealth Mode Disables lights and sounds for low-profile operation

Start-Up Time Recording within 5 seconds of power-on

Mounting Options Multiple KlickFast and magnetic mount choices for comfort and stability

BATTERY AND POWER

Battery Type 3450 mAh integrated Li-ion

Recording Time Up to 14 hrs @ 720p / 12 hrs @ 1080p

Standby Mode Up to 100 hours ultra-long standby

Charging Method USB-C Port, docking connector

DURABILITY

Drop/Shock 6.6 ft (2 m) to concrete (MIL-STD-810G)

Ingress Protection IP67 - dustproof and waterproof to 3.3 ft (1 m) for 30 minutes

Operating Temperature 14°F to 140°F (-10°C to 60°C)

Storage Temperature 32°F to 131°F (0°C to 55°C)

REGULATORY COMPLIANCE

Europe (CE, WEEE, RoHS, REACH) •

Australia and New Zealand (RCM) •

Brazil (ANATEL) Pending

US (FCC) Pending

Canada (ISED) Pending

STORAGE AND ACCESSORIES

Storage Capacity Standard 64 GB (on-board), upgradeable to 256 GB

Included Accessories USB cable, single charging cradle, metal crocodile clip

WE GO BEYOND FOR A SAFER WORLD.
